Top 10 Preparation Tips

1. Your attitude and consistency will define how well things go.
2. Schedule time: have a set time for work to happen.
3. Reward attitude and effort, not results.
4. Be patient: children will learn and do better with patience.
5. Be positive, smile and have fun.
6. Create a good environment away from distractions.
7. Be well equipped: be sure to have books, paper and pens.
8. Bed times: a child who has slept properly will do better.
9. A good start in the morning: make sure you're not in a rush.
10. Screen time adjustments: ensure screens aren't a problem.
